## **Product description**

Manufacturer identification	Schneider Electric Industries SAS	
Brand name	Schneider Electric	
Product function	Push button switch is usually used to turn on and off the control circuit and it is a kind of control switch appliance that is widely used in industrial applications.	
Product reference	XB7NA31	
Total representative product mass	18 g	
Representative product dimensions	H51.5mm x L29mm x D29mm	
Accessories	No accessories needed	
Date of information release	10/2023	

### **Additional information**

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.		
In case of special transportation: transportation method	No specific means of transportation are required.		
Recyclability potential	11%	Recyclability rate has been calculated based on REEECY'LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the "ECO'DEEE recyclability and recoverability calculation method" was taken. If no data was found a conservative assumption was used (0% recyclability).
