## WISER BOILER RELAY

## End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	Electronic Board (Communication) > 10cm <sup>2</sup>	94.036	
Potential hazards	2	Plastics	117.43	
To be dismantled	3	Plastics & Metals	38.66	

## Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Drayton
Product function	Wiser Boiler Relay is essentially a gateway that enables Wiser Home Touch to communicate a heating demand to a boiler. It is required in many European markets where a physical connection needs to be established between the boiler and the controls (so-called boiler inter-connect).
Product reference	WS714B1A30S2
Additional similar product references	WS714B1A30S2 CCTFR6001
Total representative product mass	254.4069 g
Representative product dimensions	148mm x 92mm x 28mm
Accessories	0
Date of information release	07/2019

## Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
In case of special transportation: transportation method	0	
Recyclability potential	39%	Based on "ECO'DEEE recyclability and recoverability calculation method" (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
