According to the principle of presumption of conformity, this certificate, which includes production control, constitutes support for an EU Declaration of Conformity according to the Low Voltage Directive 2014/35/EU. This presumption can expire before end of validity of this certificate due to new issued Standard or Amendment and changes within the EU legislation.

This certificate replaces previously issued ref. No. 1918898 dated 05 December 2019. A new certificate has been issued on account of renewal of S certificate, updated standard change of type designations and adding alternative materials.
