

Washing machine

Ref.: BT16524Q

Product highlights

Hygiene This program removes from your clothes and masks main virus and 99.9% of bacteria thanks to a 30-minute washing cycle at a constant temperature above 60°C.

Induction Brushless technology offers two advantages: less power consumption during cycles and limited noise level.

Rapid 39' This program cleans in only 39 minutes a daily laundry load with a perfect wash result guaranteed.

| GENERAL | |
|-----------------|---------------|
| Brand | BRANDT |
| Commercial code | BT16524Q |
| EAN code | 6133826008623 |
| Customs code | 84501190 |

FEATURES

| | |
|-----------------------------|-----------------|
| Colour | White |
| Handle colour | Silver |
| Capacity (kg) | 6.5 |
| Max spin speed (rpm) | 1200 |
| Drum material | Stainless steel |
| Drum volume (L) | 42 |
| Drum opening | Soft opening |
| Type of engine | Induction |
| Automatic variable capacity | Yes |
| Recirculation of water | No |
| Detergent dispenser type | 3P BOX |
| Connectivity | No |

PERFORMANCE

| | |
|--|-----|
| Energy efficiency class 2021 | C |
| Weighted consumption x100 cycles (kW/h) | 55 |
| Programme duration in ECO 40- 60°C full load (min) | 203 |
| Weighted water consumption - ECO 40-60 programme (L/cycle) | 41 |
| Spin efficiency class | B |
| Noise level (dB (A)) | 76 |
| Noise level class when spinning | B |

PROGRAMMING

| | |
|-----------------------------|--|
| Electronic type | Digits |
| Delayed start (hr) | 24 |
| Remaining time display (hr) | Yes |
| Number of programmes | 12 |
| Programme names | 20°C - Office - Cotton / Towelling - Delicates / Wool - Eco 40-60 - Flash 25 min - Hygiene - Jeans programme - <Empty UK value> - Rapid 39 min - Rinse / Spin - Sports |
| Functions | |
| Options | Soil level - Delayed start - Pre wash - Easy iron - Rinsing+ - Off-peak hours sync |

SAFETY

| | |
|------------------------|----------------------|
| Hydraulic safety | <FR value not found> |
| Balance control system | Yes |
| Child safety | Yes |
