

Fiche technique du produit

Spécifications

EcoStruxure Machine SCADA Expert Upgrade 4K RunTime Licence digitale

HMIEMSEUG4KRTA

Statut commercial: Commercialisé

Principales

Gamme de produit	EcoStruxure Machine SCADA Expert
Type de produit ou équipement	Licence
Format	Digital
Type de logiciel	Line management
Type de licence	Upgrade license
Variante	Runtime
Compatibilité produit	Harmony iPC Harmony STM6 Edge Box HMI
Version logicielle	2023.1
Operating system requirement	Windows 11 Windows 10 64 bits Windows Server 2022 Windows Server 2019 Windows Server 2016 Windows 8.1 Windows Server 2012 R2
Langue utilisateur	Anglais Allemand Français Chinois Italien Coréen Portugais Espagnol

Complémentaires

Nombre de tags	4000
Catégorie de la licence	Permanent
Fonction du logiciel	HMI SCADA OEE dashboard

Clause de non responsabilité : Cette documentation n'est pas destinée à remplacer ni ne peut servir à déterminer l'adéquation ou la fiabilité de ces produits dans le cadre d'une application spécifique

Option d'hébergement	Cloud On-premise On-device
License size	1 seat
Configuration requise	1 GB RAM 2 GB espace hard-drive
Processor requirement	Intel
Résolution de l'afficheur	10000 x 10000 pixels

Garantie contractuelle

Garantie	18 mois
----------	---------

Product benefits / Features

Features

EcoStruxure™ Machine SCADA Expert

FDA Traceability
Ability to create FDA 21 CFR part 11 compliant projects with traceability and e-signatures

A Variety of Drivers
Over 250 native communication drivers for PLCs, temperature controllers, motion controllers, bar code/2D/RFID readers, and many other devices

Database Interface
SQL Server, ORACLE, My SQL, SYBASE are supported

Mobile Access
To access your IPC from any device with a browser that supports HTML5, such as iPads, iPhones, Android devices, and Windows devices, among others

Open Architecture
TCP/IP, NET, ActiveX, OPC (client and server), ADO/ODBC, COM/DCOM, OLE, DDE, XML, SOAP, and HTML5 are supported

Import Wizard
Minimize cost of migration from PanelBuilder32/FactoryTalk View ME/SE to EcoStruxure™ Machine SCADA Expert, automatically converting projects
