

COMPACT 200

Finally a real cable drum dispenser!

It has **all the advantages**:

- **Stable as a single block winder** thanks to the 2 connecting bars and antislip soles
- **The least cumbersome on the market**: once folded, it becomes a case measuring 45 cm x 22 cm
- **Sturdy** (it carries 200 kg) and yet light (only 5.9 kg)
- **Resistant** thanks to its entirely galvanized finish
- **Impossible to lose the pieces**: the connecting bars are joined by wheel clamps, the rollers are on runners
- Its width can be adjusted by increasing the distance between the 2 shoes
- For drums with a diameter between 200 and 700 mm, maximum width 580 mm
